

# Master's Degree Requirements Checksheet

## Department of Computer Science

Before the Masters committee can be formed and approved by the DGS, the student below must have met the following degree requirements of the Department and the Graduate School.

Student Name: \_\_\_\_\_ EMPLID: \_\_\_\_\_

4  $\geq$ 200-level regular Computer Science courses taken at Duke:

Specify Research Area: \_\_\_\_\_

(in area) \_\_\_\_\_:\_\_\_\_\_ \_\_\_\_\_:\_\_\_\_\_

(other) \_\_\_\_\_:\_\_\_\_\_ \_\_\_\_\_:\_\_\_\_\_

1 Algorithms (230) or Complexity (240) course: \_\_\_\_\_:\_\_\_\_\_

1 Operating Systems (210) or Architecture (220) course: \_\_\_\_\_:\_\_\_\_\_

2 related courses from a department outside Computer Science: \_\_\_\_\_:\_\_\_\_\_

\_\_\_\_\_:

CPS 300 participation during term: \_\_\_\_\_

This student completes the Graduate School requirement of 30 paid units of tuition (a minimum of which 24 units must be for grade) with the following:

\_\_\_\_\_:

\_\_\_\_\_:

The above student has fulfilled the degree requirements of the Department and the Graduate School and may proceed with the defense of the Master's thesis or project.
